Memo No. Dir.T.P(LG) - 2014 - 1552

Dated: 26.08.14

Subject: Redefining the Municipal Cities / Towns into potential zones to levy Ex Development Charges (EDC), Change of Land Use charges (CLU), Development Cess (UDC) and Permission Fees (PF), in the Municipal of Punjab.

Whereas the Local Government Department has issued the following instructions / guidelines from time to time to prescribe rates / charges for change of use of plots in residential scheme areas, bulk connectivity charges, etc:-

- A. For conversion of residential plots to commercial in Residential TP Scheme Development Schemes / Rehabilitation Scheme areas etc.
 1. memo no. 4/16/94-1LG3/8763 dated 28.07.94.
 2. memo no. 9/27/06-5LG1/6761-6763 dated 22.08.06.
- B. Levy of CLU charges on conversion of Land Use in non-scheme areas.
 1. memo no. 1/23/09-5LG1/3044-3046 dated 17.09.09.
- C. Charges for Bulk connectivity to institutions like Focal Points, Urban Est Improvement Trusts, Housing Complexes, Colonizers, Registered Cooper Societies etc.
 1. memo no. 10/34/2005-3LG1/4256 dated 23.03.05.
- D. Levy of Development cost to accord sanction of Building Plans in all established unauthorized colonies.
 1. memo no. CTP(LG)-05/1430-1444 dated 08.07.05.
- E. Cost of providing basic trunk services to TP Schemes / Colonies / Group Housing projects etc.
 1. memo no. CTP(LG)-2011/12-22 dated 04.01.11.
 2. memo no. CTP(LG)-2011/281-294 dated 07.02.11.
- F. CLU fee to develop the agricultural land / vacant undeveloped areas for the first for Urban use as prescribed in the Master Plan or to change the existing use of properties / plots in already developed / built-up non-scheme areas to the permissible in the Master Plan or to change the use of residential plots to commercial in the already executed scheme areas as per policy of 2006 within framework of Master Plan.
 1. memo no. 301-315 dated 04.04.13.

Whereas due to these multiple set of instructions, at times there may be overlapping / confusion or misinterpretation at the ULB level for levy of charges eg the instructions mentioned at 'C' above are relating to provision of trunk services and instructions at 'E' is duplicacy of instructions at 'C' as the same also relates to provision of trunk services. Similarly in case of instructions at 'D' above the instructions stands withdrawn on 14.08.12 in accordance with directions of the Hon'ble Punjab and Haryana High Court in CWP No. 11961 of 2009. There arises a need to consolidate all the instructions issued from time to time.

Whereas the Housing & Urban Development Department, in the year 2007, classified various Potential Zones in the State of Punjab and prescribed the rates of External Development Charges (EDC), Change of Land Use Charges (CLU) and License / Permission Fees (LF/PF) for Residential Plotted, Residential Group Housing and Commercial for various Potential Zones. In the year 2010, the Housing & Urban Development Department re-defined the Potential Zones in the State of Punjab and reduced the charges in view of the economic turmoil throughout the world in order to make more realistic and to salvage the Real Estate Projects.

Whereas in view of continuing economic slowdown world over, the Housing & Urban Development Department in the year 2013, again redefined the Potential Zones and rationalized the charges.

Whereas the Local Government Department in the year 2011 classified ULBs into various potential zones and prescribed the cost of providing basic trunk services to TP Schemes / Colonies / Group Housing projects etc.

Whereas the State Government in the Department of Housing & Urban Development and in the Department of Industries and Commerce etc keep taking decisions from time to time to salvage and promote various sectors eg Industries, Tourism, Health, Real Estate Sector etc.

Whereas the Local Government Department has also decided to redefine the Potential Zones and rationalize the charges and also to extend fiscal incentives given by the State Government in the Department of Housing and Urban Development and in the Department of Industries and Commerce etc, from time to time, to various sectors (Industries / Hospitals / Hospitality etc).

Accordingly based on the categorization of Potential Zones by the Housing and Urban Development Department, the Municipal Cities / Towns have been redefined into various Potential Zones, as mentioned at A below and the Potential Zone wise rates of EDC, PF, UDC and CLU (except for conversion of residential plots into non-residential use including Hotels, Hospitals etc in the existing Schemes, as per memo no. 9/27/06-G1/6761-6763 dated 22.08.06) will be as mentioned at B below:-
